Q: The information that the company provided on this application do not match with the company's response to NRQZ coordinator and she denied to authorize. If you would like to change any information on the application, please update all the documents to match with the ones you would like to change; otherwise, the application will be dismissed.

A: All of the exhibits for the application have been reviewed. The Spacecap and the NTIA Space Record have been updated to the final values for the Lat-Long of the ground station and these along with the change notice have been submitted as exhibits to the application. We believe that all data in all documents, is now acceptable to all parties.
