Subject: Request for Info - File # 0089-EX-CN-2017

---

Message:

In reference to the below request we ask to have these two bands removed due to slow response on consent for parties requested in order to move forward with our license request.

"...For operations in the 12.2-12.7 GHz and 17.3-17.7 GHz band, the applicant must provide written consents from DirecTV/AT&T, EchoStar and DISH Network or remove these two bands...."
