Subject: Request for Info - File # 0228-EX-CM-2019

---

Message:

International Bureau requests to submit the following information:

- Submit the orbital debris mitigation information.
- Alternatively, the company can submit information to demonstrate that Hylas-4 debris mitigation plans are subject to direct and effective regulatory oversight by the national licensing authority for the satellite. Assuming this is the UK, this could consist of a statement that the Hylas-4 satellite has been registered with the UN Office of Outer Space Affairs by the United Kingdom, that the UK Space Agency has reviewed and approved the debris mitigation plans for the satellite, and that the satellite is currently operating pursuant to an authorization for space operations granted under the UK Outer Space Act

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 16, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
