Subject: Request for Info - File # 1275-EX-ST-2019

Message:

NASA requests to provide detailed flight path and orbital trajectory information for the entire duration of the requested operations, start to finish, for the 747 aircraft, Launcher One, and any other airborne equipment that intends to radiate on these frequencies under the authority of this STA. The information provided should include a trajectory files describing the flight path of these vehicles, or at a minimum latitude/longitude/altitude vs time data.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 14, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
