Re: Wal-Mart Stores, Inc. PCIA # 20071550501

From: Don Andrew, PCIA Coordination Services

The FCC 601 application for Wal-Mart Stores, Inc. is being returned without PCIA certification. A review of the FCC and PCIA databases did not yield any candidate channels in the 800 MHz Industrial Business/Land Transportation band that will satisfy your requested parameters.

There are no processing fees assessed to this application. Please call me at 1-800-759-0300 if I can be of further assistance.

Sincerely,

Don Andrew
