Subject: Request for Info - File # 0252-EX-CN-2021

---

Message:

Per your correspondence referenced above, I've modified our request to 9200-9500 MHz. I made changes to the application to reflect that, but the system never gave me a new file number or confirmation. It took me to the pay screen. The one I was working on is Form 442 Confirmation Number: EL641093

Form 442 File Number: 0252-EX-CN-2021

Date of Submission: March 23, 2021

That should be the one going forward unless it has a new file number and confirmation number.

Thanks

Pete Muller
