Subject: Additional Information Request

---

Message:

- The geographic coordinates should be entered in the 5(c)(1). "Enter geographical coordinates of the approximate center of mobile operation"
- The radius of operation of operation should be entered in the field that says "Radius of Operation"
- I understand this is for motion sensors around an area. Do you plan to deploy 7000 units at each geographic location that you have listed in the application? Do you have any plans to install the equipment in any better way?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 12, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
