Subject: Request for Info - File #0331-EX-RR-2013

Message:

The Form 405 is not allowed to be used for extending STAs. You will need to re-file as an STA (using 0348-EX-ST-2013 as a template) if you would like to extend the STA for six months or less. If it is your intention to operate more than another six months, you will need to file for a new experimental license on Form 442 (using 0348-EX-ST-2013 as a template). A justification for the extended need is necessary for either choice.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 12, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
