Subject: Request for Info - File # 0062-EX-CM-2018

Message:

Hi,

I responded to this request for information 5 months ago. Since then, I have received no other correspondence or feedback on my request to amend my existing permit.

Could I please have an update on the status of my application?

If there is some aspect of the amendment that is causing an issue, could you please let me know what the issue is?

It is my understanding that the process so far has taken far longer than is typical and I am to understand why.

Thanks in advance,
