

**March 5, 2019**

**To: Whom It May Concern:**

This is to certify that:

Wytec International, Inc. deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Wytec International, Inc. in a controlled environment.

Wytec International, Inc. will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Wytec International, Inc. has extensive RF experience and expertise deploying RF networks and has several RF engineers on permanent staff.

For the above reasons, I believe Wytec International, Inc. meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Robert W. Merola

Chief Technical Officers

Wytec International, Inc.
