Subject: Additional Information Request

Message:

- 1) Please explain why do you have Radius of Operation for a Geostationary Satellite? (Antenna # 2) says 450 km radius of operation. Radius of Operation is typically for uplink or ground station
- 2) Please fill out the NTIA Space Record Form for each transmit frequency request. I will email you that form directly.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 31, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
