Dear Todd Dudley,

This refers to application, File No. 0105-EX-PN-2019, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Your exhibit talks about filing for an STA. You filed for a Program license 0105-EX-PN-2019 instead of STA. Please file again and make sure it's an STA. Please submit a proper narrative that describes only your experiment. You can submit your conversation as supplemental document.

Responses to this correspondence must contain the Reference number : 52347
