Mr. Joseph Essex,

On January 14, 2008, I email was sent to your attention that the application needed some information.

What is the status on the Federal Aviation Administration (FAA) NGT numbers for the frequencies 5000-5250 MHz that should have been coordinated with FAA Great Lakes Region Office. Phone numbers to the FAA Regional Frequency Management Offices may be obtained at: www.faa.gov/ats/aaf/locations/fmos.htm.

Also, an "Emission Designators" needs to be added for each frequencies band in the application.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 07, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
