

Able Communications Co., Inc

Exhibit #1 to FCC Form 442

The following statement is submitted in compliance with Item No. 10 of the attached FCC Form 442:

Able Communications Co., Inc. is a supplier of Communications equipment/service to the petroleum exploration and production industry as well as petroleum/chemical industries.

We supply oil-spill response communications packages to our customers along with technicians to oversee the operation of the equipment.

These units will be used primarily for the transfer of high speed data such as video of the spill site back to the corporate offices for the purpose of a faster cleanup program. Voice is a secondary use. This equipment will only be used in remote locations where normal high speed circuits are not available or until the local phone company can be contracted to install their circuits. Typical uses will include assessing first response needs and coordinating response/relief operations.

Other uses will be a quarterly test of the equipment to keep it operational and to keep the proficiency of our operators up to date.

The equipment will be used wherever our customers have a spill in the USA or offshore.

**REQUEST FOR SPACE SEGMENT CAPACITY  
TO OPERATE INMARSAT TERMINALS  
FROM LAND-BASED LOCATIONS IN THE UNITED STATES**

---

The Federal Communications Commission ("FCC") requires COMSAT Corporation ("COMSAT") to obtain authority prior to providing service to Inmarsat terminals operated from land-based (i.e., nonmaritime locations) within the United States. The FCC will only grant domestic service authority to COMSAT under certain circumstances. The FCC's determination is made on a case-by-case basis with regard to the specific facts of each request. For instance, the FCC has authorized COMSAT to provide space segment capacity in the United States where:

- (1) the capacity is required to test and demonstrate the communications capabilities of an Inmarsat terminal to prospective customers;
- (2) the performance of an Inmarsat terminal is to be tested prior to sending/taking it abroad;
- (3) personnel are to be trained in the use of Inmarsat terminal(s) prior to being deployed abroad;
- (4) an Inmarsat terminal is needed for emergency communications (either as backup communications or disaster relief); or
- (5) an Inmarsat terminal is required to provide services from a remote location where no alternative means of communications is available.

Therefore, the following information is necessary for COMSAT to prepare its request for authority from the FCC to provide domestic Inmarsat space segment capacity to your terminal(s) in a timely manner. **The more specific and detailed the information you provide us about the intended use(s) of the terminal, the more likely it will be that COMSAT will be able to obtain timely FCC authorization to provide the services you need!** Please feel free to attach additional pages if needed to answer questions fully.

1. **Company's Name:** ABLE COMMUNICATIONS CO, INC.
2. **Company's Business:** SALES, SERVICE, RENTALS OF COMMUNICATIONS  
EQUIPMENT/SYSTEMS

3. Who will operate the terminal? US OR OUR APPOINTED REPRESENTATIVE

4. By what date do you need to operate the terminal in the U.S.? 4-05-2001  
For how long? UNKNOWN

Please indicate on page 3 your reasons for needing to use the terminal by the specified date.

5. Will the same terminal also be used in one or more foreign countries or globally?  
Yes ☐ No ☒.

IF YES, please state on page 3 the country or countries involved, and how frequently you intend to use the terminal outside of the U.S.

6. Will the terminal be used for test and/or demonstration purposes?  
Yes ☒ No ☐.

IF YES, please indicate on page 3 where the test(s) or demonstration(s) will take place, their duration and whether (a) this is a test prior to sale, (b) this is a test after sale prior to use, (c) this is a demonstration to potential customers, (d) the terminal will be a part of a test or demo pool, or (e) other (please describe).

7. Will the terminal be used to train your employees, customers, or other users?  
Yes ☒ No ☐.

IF YES, please explain on page 3 the nature, purpose, and duration of the training (indicating in particular whether the terminal will be used outside the U.S. or if personnel being trained will be deployed outside the U.S.):

8. Will the terminal be used for emergency communications or in a remote location where no alternative means of communications exist? Yes ☒ No ☐.

IF YES, please describe on page 3 the nature of the emergency communication (if applicable), state the location, describe the communications service desired, and explain the reason(s) why existing means of communications, in particular those of the U.S. domestic mobile satellite service licensee (AMSC), are not available or are inadequate to meet your communications requirements:

9. If the terminal is to be used for high speed data applications, please indicate the speed at which transmissions will be conducted:

64 KBS ISDN

10. Does your use of the Inmarsat terminal relate to a U.S. Government contract?  
Yes \_\_\_\_ No X.

IF YES, please briefly describe below how the terminal will be used in fulfilling the government contract: \_\_\_\_\_

11. If not otherwise provided above, state the purpose for which the terminal will be used in the United States: SEE 6, 7, 8, 9 ABOVE

12. You are required to obtain a separate FCC license before operating the terminal in the United States. Have you applied to the FCC for a license to operate the terminal?  
Yes \_\_\_\_ No X.

IF YES, give the date you filed the license application: \_\_\_\_\_; or the grant date: \_\_\_\_\_. Please attach a copy of the terminal license application.

IF NO, please complete the enclosed FCC application form and return it with the other commissioning materials, or explain on page 3 why no additional FCC license is required.

---

Use the space below to provide any additional requested information:

ITEM 4 CUSTOMER'S REQUEST TO START TRAINING & TESTING OF EQUIPMENT

IN HIS NEW EMERGENCY OIL SPILL RESPONSE PACKAGE AT ABLE COMMUNICATION HOUSTON.

ITEM 6b TESTING PRIOR TO ACCEPTANCE BY THE CUSTOMER

ITEM 7 QUARTERLY TESTING TO CONFIRM NORMAL OPERATION & TRAIN OPERATORS FOR QUICK RESPONSE TO A OIL SPILL NORMALLY 1 HOUR OR LESS

---

ITEM 8

Able Communications Co., Inc

The following statement is submitted in compliance with Item No. 10 of the attached FCC Form 442:

Able Communications Co., Inc. is a supplier of Communications equipment/service to the petroleum exploration and production industry as well as petroleum/chemical industries.

We supply oil-spill response communications packages to our customers along with technicians to oversee the operation of the equipment.

These units will be used primarily for the transfer of high speed data such as video of the spill site back to the corporate offices for the purpose of a faster cleanup program. Voice is a secondary use. This equipment will only be used in remote locations where normal high speed circuits are not available or until the local phone company can be contracted to install their circuits. Typical uses will include assessing first response needs and coordinating response/relief operations.

Other uses will be a quarterly test of the equipment to keep it operational and to keep the proficiency of our operators up to date.

The equipment will be used wherever our customers have a spill in the USA or offshore.

## Registration for service activation of Land Mobile Earth Station

AA Signature:

the owner, have read and agree to comply with the 'Terms and Conditions for the  
use of the Inmarsat space segment', in particular with all applicable national laws  
and regulations relating to the use of Inmarsat Mobile Terminals

**Article 4**  
**Telecommunications Disclaimer**

- (A) This Article applies to the Company for itself and as trustee for the benefit of the lessors, manufacturers, or other providers of the Inmarsat space segment; the owners or operators of LESs; and the directors, officers, employees, agents or assignees, of any of them ("the other indemnitees").
- (B) Subject to paragraph (D) below, neither the Company nor any of the other indemnitees shall be liable for any claims attributable to any unavailability, delay, interruption, disruption or degradation in or of the Inmarsat space segment capacity; modification, restriction, suspension or termination of the authorization in accordance with Article 2(D)(1) above; failure to restore access in accordance with Article 2(D)(2) and (3) above; or sharing of information about the status of the MES in accordance with Article 2(D)(4) or Article 3 above regardless of the cause or causes thereof. Such waiver of claims shall also extend to any direct or consequential loss, damage, liability or expense, loss of revenue or business harm of any kind.
- (C) The MES Owner agrees to indemnify the Company and the other indemnitees and hold them harmless from any claims that might be made by the MES Operator or any other entity or person, attributable to any of the causes referred to in paragraph (B) above.
- (D) Nothing in this Article 4 shall exclude or limit liability for death or personal injury in any jurisdiction where, as a matter of law, such liability cannot be excluded or limited.

**Article 5**  
**Language and Communications**

- (A) These terms and conditions and all documentation and communications required thereunder shall be in the English language.
- (B) All communications pertinent to the authorization or to these Terms and Conditions shall be made or confirmed by telex, facsimile, data transmission or other written or electronic form. Communications by Inmarsat the Company to the MES Owner and the PSA shall be sent to its their last known address, and communications to the MES Operator shall be sent to via the MES.

**Article 6**  
**Amendments**

The terms and conditions as herein stated are subject to amendment by the Company such amendment to become effective upon the date specified by the Company but not less than thirty (30) days after the date of notification of the amendment to the MES Owner, the MES Operator and the PSA.

**Article 7**  
**Certification and Agreement**

I the owner have read and agree to comply with the above Inmarsat "Terms and Conditions".

Date: 03-28-2001

AA Signature:

the owner, have read and agree to comply with the 'Terms and Conditions for the use of the Inmarsat space segment', in particular with all applicable national laws and regulations relating to the use of Inmarsat Mobile Terminals

**Article 4**  
**Telecommunications Disclaimer**

- (A) This Article applies to the Company for itself and as trustee for the benefit of the lessors, manufacturers, or other providers of the Inmarsat space segment; the owners or operators of LESSs; and the directors, officers, employees, agents or assignees, of any of them ("the other indemnitees").
- (B) Subject to paragraph (D) below, neither the Company nor any of the other indemnitees shall be liable for any claims attributable to any unavailability, delay, interruption, disruption or degradation in or of the Inmarsat space segment capacity; modification, restriction, suspension or termination of the authorization in accordance with Article 2(D)(1) above; failure to restore access in accordance with Article 2(D)(2) and (3) above; or sharing of information about the status of the MES in accordance with Article 2(D)(4) or Article 3 above regardless of the cause or causes thereof. Such waiver of claims shall also extend to any direct or consequential loss, damage, liability or expense, loss of revenue or business harm of any kind.
- (C) The MES Owner agrees to indemnify the Company and the other indemnitees and hold them harmless from any claims that might be made by the MES Operator or any other entity or person, attributable to any of the causes referred to in paragraph (B) above.
- (D) Nothing in this Article 4 shall exclude or limit liability for death or personal injury in any jurisdiction where, as a matter of law, such liability cannot be excluded or limited.

**Article 5**  
**Language and Communications**

- (A) These terms and conditions and all documentation and communications required thereunder shall be in the English language.
- (B) All communications pertinent to the authorization or to these Terms and Conditions shall be made or confirmed by telex, facsimile, data transmission or other written or electronic form. Communications by Inmarsat the Company to the MES Owner and the PSA shall be sent to its their last known address, and communications to the MES Operator shall be sent to via the MES.

**Article 6**  
**Amendments**

The terms and conditions as herein stated are subject to amendment by the Company such amendment to become effective upon the date specified by the Company but not less than thirty (30) days after the date of notification of the amendment to the MES Owner, the MES Operator and the PSA.

**Article 7**  
**Certification and Agreement**

I the owner have read and agree to comply with the above Inmarsat "Terms and Conditions".
