Subject: FCC license

Fred,

Can you please send an email to John Kennedy at the FCC regarding our experimental license application. I need to get the confirmation number for our application. John has requested that you ask him for the number via email. Also, please indicate that you would like the main contact to be transferred to me and provide my title. VP Field Operations and Customer Support. Our file number is 0292-ex-pl-2004

Thanks

Mark
