FCC File # 0024-EX-ST-2005

---

Message:

Dear Mr. Kennedy:

You are correct that all the emission designators are 11K5F2D and I do authorize you to amend the application accordingly. I amended the application yesterday and believed that I provided the emission designator in all the proper locations. I appreciate your oversight and willingness to amend the application. I apologize for any inconvenience.

Thank You for Your Assistance

Richard Hanno
