Mr. Zunke,

I can enter 8/15/2004 until 2/15/2005 as the start and stop dates for this experiment if you authorize me to amend your application with these new dates.

John those are the dates I need to enter into the application. I will try to enter them later today. I will call you if I am still having trouble entering the dates. I was using the EL in my confirmation number.

Thanks

Doug

Mr. Zunke,

What specific start date and stop date are you requesting (for example, are they 8/15/2004 until 2/15/2005)?

Subject: STA renewal application

Good morning Mr. Kennedy. I am having trouble getting back to my application on the website. The link doesn't want to play. I wanted to extend for six months, my mistake. The transmitter is temporary/fixed. I did not intend on changing anything on the application. I will continue to attempt to access the application on the website. Thanks
