To Whom It May Concern:

This is to certify that:

Advanced Systems Integrators, LLC is a company that deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Advanced Systems Integrators, LLC in a controlled environment.

Advanced Systems Integrators, LLC will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Advanced Systems Integrators, LLC has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Advanced Systems Integrators, LLC meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Andrew D. Bialock

President
