Dear Private Radio Staff:

On behalf of ADX Microsys Corp., we are transmitting herewith its application for authorization of a new Experimental Radio Service base/mobile system for development and testing of spread spectrum radio systems for operation in the frequency bands 902-928, 2400-2483.5 and 5725-5850 MHz. Attached to the application is a check in the amount of \$35.00 in payment of the FCC filing fee for processing this request.

Please direct any questions or correspondence concerning the above matter to this office. The applicant has authorized mailing the authorization for the radio system under application to our offices.

Very truly yours,

Eugene Maliszewskyj
