Re: AEPCO, Inc.
Application for Experimental Radio Station Authorization

Stop Code: 1300A4
Frequency Liason Branch

Dear Sir or Madam:

Advanced Engineering and Planning Corporation, Inc., ("AEPCO"), by its attorney, hereby submits FCC Form 442 for an Experimental Radio Station Authorization. AEPCO is a leading satellite communications integration company which will work with the U.S. Government Department of Transportation in testing new technologies as described herein.

AEPCO has enclosed check number 13114 in the amount of Forty-five dollars (\$45.00) to serve as the required filing fee for this application.

Please direct all questions and correspondence to the undersigned.

Sincerely,

David A. Irwin
