

Aerial Video Systems
STA Application – 1870-EX-ST-2026

Narrative Explanation of Operation
2026 Victoria Secret Fashion Show– Sony Pictures Studios
October 12th, 2026 – October 18th, 2026

This application proposes the use of the band 2200 - 2305 MHz for short-range video relay in connection with video production by the applicant of Aerial Video Systems for the Victoria Secret Fashion Show event to be held at the following venues on the dates provided.

Victoria Secret Fashion Show	Sony Pictures Studios Culver City, CA 90232	October 12 th , 2026 – October 18 th , 2026
---------------------------------	--	---

The periods include setup and testing prior to the event. This is a major event televised worldwide. Should any authorized entity using this band report interference during the proposed operations, operation on the offending channel will immediately cease and not resume unless and until the interference complaint is resolved to the satisfaction of the authorized user.

Other licensed channels normally used for video production in this frequency range are not available for this event due to their use by other licensees and authorized services.

The stop buzzer contact for this operation is Trevor DeEll who can be reached at 203-258-1951 or by email at tdeell@nepgroup.com
