You don't often get email from avasstmgr@triangleaviation.com. [Learn why this is important](#)

CAUTION: This email originated from outside of the Federal Communications Commission. Do not click on links or open attachments unless you recognize the sender and trust the content to be safe. If you suspect this is a phishing attempt, please use the 'Report Message' feature in Microsoft Outlook or forward the email to the NSOC.

To whom this may concern:

In response to your email below, there seems to be a disconnect between your office which seems to be requiring fees to be paid to allow our application process to proceed.

We are still waiting for the connection of the FCC Registration Number (FRN) to our account before this process could proceed.

So, I'm hoping that the 30 day time limit for us to pay the fee you mention will not be counting down until we get a bill/proforma stating how much the fee is and details of getting the fee to you.

If this is as confusing to you as it is to us please feel free to contact myself or our Avionics Manager, Josh Chapin, extension 274.

We look forward to your assistance in this effort.

Bye for now,

John Nenichka
