Re: Application for new Experimental Station
Aeronautical Radio Inc.

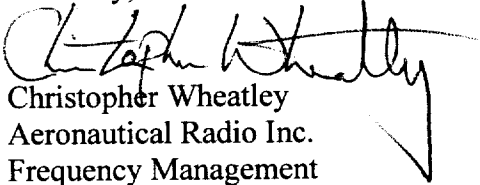

Dear Sir or Madam:

Enclosed on behalf of Aeronautical Radio Inc. (Licensee) is an application prepared online using FCC form 442 requesting a new experimental radio license. Under separate cover we will forward to the FCC Lock Box in Pittsburgh, PA, FCC form 159 along with a check in the amount of \$50.00 made payable to the Federal Communications Commission.

Aeronautical Radio Inc. seeks your approval to operate a Collins AJK 822 1349 transmitter at our headquarters in Annapolis, MD.

Please let us know if you have any questions or concerns regarding this application.

Sincerely,

Christopher Wheatley
