Subject: Additional Information Request

Message:

You have not answered the question, and have not proposed specific mitigation and avoidance practices of potential interference to federal shipborne radar systems. Your response to presuppose the presence of an ESC in Puerto Rico, and as far as we know, there are no approved ESC sensors in Puerto Rico at this time.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 01, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
