REQUEST FOR EXPEDITED SPECIAL TEMPORARY AUTHORITY

Aerospace & Flight Test Radio Coordinating Council (AFTRCC) requests Special Temporary Authority for a 4-month period to perform intermittent telemetry testing to measure attenuation, propagation characteristics, and equipment operation within a 1 mile radius of the requested location. The tests contemplated by this Request are scheduled to begin July 2, 2010. The stop buzzer contact for the program to terminate operations is Dr. Dan Jablonski, 240-228-6907.
