Subject: ITU Cost Recovery Fees for the AeroCube-10ab Satellite Network.

Reference: FCC Experimental Application File Number 0827-EX-CN-2018

Dear Ms Dortch:

The Aerospace Corporation is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. The Aerospace Corporation hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the AeroCube-10ab satellite network. Please address all correspondence related to the AeroCube-10ab satellite network to the following point of contact:
