DISMISSED-WITHOUT PREJUDICE

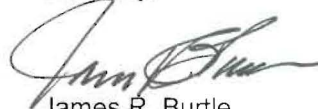

Dear Dr. Gabriel Torres,

This refers to application, File No. 0134-EX-PL-2011, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Experimental applications are coordinated with any affected licensing Bureaus. The Public Safety and Homeland Security Bureau has denied your waiver request of the airborne rules under section 90.1205. However, they would consider future requests if they are filed by a public safety entity who would be the responsible party for the license.

Responses to this correspondence must contain the Reference number 13369

Sincerely,

James R. Burtle
Chief
Experimental Licensing Branch
