**RE: AirCell, Inc.
Experimental License Application 0171-EX-PL-2003**

Dear Mr. Burtles:

AirCell, Inc. ("AirCell") hereby respectfully requests expedited treatment for the above-referenced experimental license application. AirCell has determined that it is important for its internal planning and operations that it be able to commence the new digital experiments covered by this application no later than the end of August 2003. Moreover, in order to use the results of this testing to participate in ongoing and new FCC proceedings concerning spectrum allocations and new technologies, AirCell needs to begin testing by late August 2003.

Respectfully Submitted,

Michele C. Farquhar
Counsel to AirCell, Inc.
