Tony,

Here are the coordinates for the Aircell test sites requested by, NTIA.

Let me know if you need anything else.

Thanks.

Bill Gordon

Airline	Airport Code	Location	Latitude	Longitude
American Airlines	LAX	Los Angeles, CA	N 33° 56.580'	W 118° 24.807'

Mr. Gordan

Mr. Beckstein at NTIA has requested that you specify the coordinates for your locations. Please provide this information at your earliest convenience.

Thank you
Tony Serafini

Mr. Georgiou,

Can you be a little more specific about the testing locations? You state testing will be selected airport. This makes interference analysis difficult at best.

Dave,

Attached is AirCell LLC (File No 0004-EX-ST-2008) STA request from
03/28/08 to 09/28/08.

I have reviewed this STA and found no classified data.

Thanks

Peter Georgiou
