Message:

Part 5 experiments must operate on a non-interference basis. Please submit an exhibit that explains how you will be able to operate in each of the requested bands from an airborne platform and not interfere with existing users.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 07, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
