

Transaction Description and Public Interest Statement

By the instant application, Commission consent is sought to the transfer of control of Airvana Network Solutions, Inc. (“Airvana” or “Licensee”) from 72 Mobile Holdings, LLC (“72 Mobile” or “Transferor”) to Ericsson Inc. (“Ericsson” or “Transferee”) (collectively, the “Parties”). Airvana currently holds an FCC Experimental Radio Service License under Call Sign WC2XOH.

Airvana is a Delaware corporation, 72 Mobile is a Delaware limited liability company, and Ericsson is a Delaware corporation. Currently, Transferor owns 100% of the issued and outstanding shares of common stock of Licensee. Pursuant to a Stock Purchase Agreement entered into between the Parties, Ericsson will acquire all shares in Airvana from 72 Mobile, resulting in Ericsson becoming the owner of 100% of the shares of Airvana and acquiring control over Licensee and the facilities authorized under the FCC authorization.

For the Commission's reference, the following information is provided with respect to the Transferor:

Ericsson Inc. - FRN 0003578903
c/o Paul Challoner, Vice-President Product Line Management
6300 Legacy Drive
Plano, TX 75024

The transfer of control proposed herein will not result in any violation of the Act or any other applicable statutory provision. Moreover, the proposed transfer fully complies with all Commission rules and regulations and does not require any waivers. Transferee has the qualifications necessary to acquire control of Licensee and the facilities authorized under the license. Accordingly, the Parties respectfully submit that Commission approval of the proposed transaction would serve the public interest, convenience, and necessity.
