Through wall radars for non-military use are authorized under Part 15 Subpart F of the FCC rules. Please submit an exhibit describing whether your equipment will be able to meet these technical requirements. Also, discuss your interference mitigation methods for licensees in the 500-2000 MHz range over the 20 km radius requested.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 14, 2009 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
