Gentlemen:

RE: State of Alaska Application Confirmation Number EL6372
and File Number 0031-EX-PL-1998.

EXHIBIT ONE
ITEM #7

Description of Equipment: L-Band INMARSAT Land Mobile Earth
Station according to the submitted application.

Theory of Operation: Direct emergency communications from a
transportable mobile transceiver through a satellite system
to a base of operations providing relief and support.

Provide emergency services to the people within the borders
of the State of Alaska or as directed by the Federal
Emergency Management Agency (FEMA). There is no means of
available communications to many remote villages or
emergency response sites within the State of Alaska. These
terminals will be used to support mobile Point to Point
emergency communications between emergency sites and the
Emergency Operations Center.

EXHIBIT TWO
ITEM #12

This applicant is a tax exempt State Government.

Sincerely,

Jerry Jasper
Electronic Maintenance Supervisor
