**Re: Proposed Application Of Alda Wireless Holdings, Inc. For Experimental
Authority To Conduct Testing Using Channels A1-A4 In And Around
Kansas City, MO**

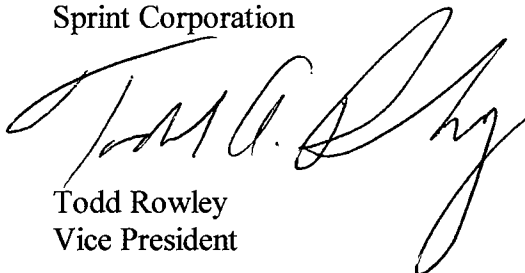

Dear Mr. Hagg:

I am writing on behalf of Alda Wireless Holdings, Inc., a wholly-owned subsidiary of Sprint Corporation ("Sprint"), to request the consent of Public Television 19, Inc. to Sprint's applying to the Federal Communications Commission for experimental authority to utilize the excess capacity channels A1-4 in and around Kansas City, MO to conduct testing for a period not to exceed two (2) years from licensing.

Sprint would appreciate your execution of this letter in the space provided below to evidence your consent to the trials on channels A1-4 in and around Kansas City. By signing below, Public Television 19, Inc. agrees that this letter agreement may be filed by Sprint with the FCC to evidence that Public Television 19, Inc. does not object to the contemplated experimental licensing of facilities.

Sincerely,

Sprint Corporation

Todd Rowley
Vice President
