We need some additional information to process your application. Please provide the number of units you plan to test. Also, do you have a government contract that you are testing for since the frequencies 304 MHz and 315 MHz requested are in exclusive government bands? What rule parts are you designing your equipment for, especially the 30 watt and 2.43 watt devices? The 5.6-5.65 GHz band is for Maritime services is this what you intended?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 19, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
