Message:

Mr. Crawforth,

You need to go to the "Equipment" section of your application and report the number of equipment being used. This number is needed for the processing of your application. If this number is greater than 50 please provide a detailed written justification.

Please report the following:

1. For the use of frequency band 5725-5850 MHz a detailed calculation is required to justify 30 watts ERP, refer to CFR47 part 15.407. Otherwise, please amend the power accordingly.
2. The bandwidth designators reported as an attachment on April 3 2007, do not fit within the frequency band requested, you need to correct those.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 11, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
