Re: Experimental License;
File No.: 5680-EX-PL-97

Call Sign: KC2XAG

Dear Mr. Rehberger:

This letter is in response to the above referenced application and the request to withhold the attachments to the application from public inspection.

Based on our evaluation of the material submitted in the application, this office considers the request for confidentiality to be justified and within the provisions of Section 0.459 of the FCC Rules.

Accordingly, the attachments to the application will be withheld from public inspection in accordance with the provisions of Section 0.459 for a period to coincide with the expiration of the station authorization, which will be December 1, 1999. The period may be extended upon presentation of adequate justification with the renewal of the station authorization.

Sincerely,

Lawrence P. Petak
Chief, New Technology Development Division
