RE: CONFIDENTIALITY REQUEST FOR
STA File Number: 1651-EX-ST-2018
STA Confirmation Number: EL908983

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC 47 CF 0.457(d) and 0.459. We request the following, as part of the requirement for FCC STA application, be held confidential and be withheld from public review for a minimum period of 2 years:

1. Technical Data associated with STA File Number: 1651-EX-ST-2018
2. Section 5 of the Administrative Section for STA File Number: 1651-EX-ST-2018, Explanation of the purpose of operation.

The reason for this request is that the information is company proprietary design information that should never get into the possession of competitors during the specified period of time, which would be harmful for our business.

Do not hesitate to contact me if you have any additional questions.

Thank you very much.

Sincerely,
