Subject: Request for Info - File # 1489-EX-ST-2017

Message:

1. Amend your application to propose a more realistic start date. Per the Part 5 experimental licensing rules, "Applications for STA must be submitted electronically through the Office of Engineering and Technology Web site <http://www.fcc.gov/els> at least 10 days prior to the proposed operation." To have the best chance for approval, change your requested start date to be at least 15 days from when you respond to this request for info.
2. Your exhibit requesting confidentiality must be visible to the public. Either grant us permission to make this exhibit visible to the public or request withdrawal of this exhibit and submit a new exhibit that can be visible to the public.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 05, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
