Message:

Dear Mr. Joe Trevino,

1. I deleted (tried) the request for frequency 2345-2390 MHz. I will coordinate with ARTRCC and re-submit the request in a separate application in future.
2. Designate point-of-contact to terminate transmissions if interference occurs:
Name: Phu Thieu
Address: 100 Ames Pond Dr.
Tewksbury, MA 01876
Office: 978-296-3355
3. Description of the operation to be conducted and its purpose: The application for the experimental license is to test newly develop commercial LTE Base station. The test consist of monitor and connect commercial LTE handset to the newly develop LTE base station to verify it operational functionality in an outdoor environment.
4. All the emission designator had been changed to 10M0W7D.

Best regards,
Phu Thieu
