DISMISSED-WITHOUT PREJUDICE

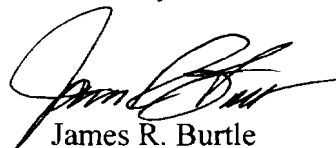

Dear Patrick Leary,

This refers to application, File No. 0614-EX-ST-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA has objected to the FCC coordination of your STA request. The federal government operates high power radars in the band M3400/M3650 and only allows demonstrations for short periods (such as trade shows) for overseas sales.

Responses to this correspondence must contain the Reference number : 4887

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", is written over the printed name.

James R. Burtle
