Re: Notification of Consummation of *Pro Forma* Assignment

To the Office of Engineering and Technology:

This is to advise the Commission that the *pro forma* assignment related to the proceeding listed below was consummated on December 31, 2019.

ELS File No. 0017-EX-AU-2019

Part 5 of the Commission's rules does not specifically require the filing of a notice of consummation. This letter is being filed nevertheless and out of an abundance of caution to ensure the FCC's records include such notification.

All correspondence and inquiries in connection with this matter should be addressed to Kurt E. DeSoto, Wiley Rein LLP, 1776 K Street, N.W., Washington, D.C. 20006-2304 (Telephone: 202.719.7235; Facsimile: 202.719.7049).

Respectfully submitted,

A handwritten signature in dark ink that reads "Kurt E. DeSoto".
