

Re: Confidentiality Request

May 28 2020
OET File No. 0097-EX-CM-2020

To whom it may concern:

Amazon Robotics LLC requests that the following information be kept confidential referring to the FCC rules 0.457 and 0.459:

1. Purpose of Operation and Need for Experimental License

The application contains information, which we deem to be would customarily be guarded from competitors. The experimental radio equipment is strictly controlled and limited for use only by the Grantee and not available for sale to third party purchasers/users. This information is not publically available to anyone outside of the company. If made public, the information might be used to the disadvantage of the applicant.

Thank you for your attention to this matter.

Sincerely,

Richard L Roberts
