File No. 0187-EX-RR-2009

**FINAL PROGRESS REPORT OF AMBIENT CORPORATION'S TESTS
PURSUANT TO
EXPERIMENTAL LICENSE**

Ambient Corporation (the "Company") submits this six-month progress report in accordance with the conditions of its Experimental License to evaluate broadband access via carrier current systems over power lines.

* * *

The Company continues to have no BPL deployment, experimental or otherwise, and has not conducted testing or additional evaluation in relation to its Experimental License since the Company filed its last Progress Report in February 2011.

In addition, the Company recognizes that the Experimental License expires on August 1, 2011, and hereby notifies the Commission that it does not intend to seek an extension to the term of the Experimental License.
