Re: Radio Station Authorization Processing Fee Application

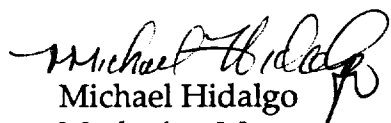

Dear Sir/Madam:

I am resubmitting our application with a second check for \$35.00. The first check has not cleared our bank, and we will submit a stop payment for this check.

This application contains form 442, a copy of form 155 and a check for \$35.

I trust this will complete all our requirements, but if you require additional information, please notify the undersign.

Sincerely Yours,

Michael Hidalgo
