Subject: ITU Cost Recovery Fees for the Meshbed Satellite Network.
Reference: FCC Experimental Application File Number 0116-EX-CN-2019

Dear FCC Secretary,

Analytical Space Incorporated, proposed operator of the subject network, is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years 2001, 2002, and 2004, processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. Analytical Space Incorporated hereby states that it is aware of this requirement and unconditionally accepts all Cost Recovery responsibilities associated with the ITU filings for the Meshbed satellite network. Please address all correspondence related to the Meshbed satellite network to the following point of contact:
