EXHIBIT NO. 1

LETTER OF INTENT

This is to advise that Analytical Systems Engineering Corporation (ASEC) intends to use the Trimble Navigation TNL7002 Standard-C Inmarsat approved satellite communications system for customer support and services. The Standard-C Inmarsat System is our only means of communications. The TNL7002 will be commissioned at our Hanover, Maryland facility and is to be maintained within the North and South American Continents.

A handwritten signature in black ink, reading 'Robert A. Franklin'. The signature is written in a cursive style with a large, stylized 'R' and 'F'.

Robert A. Franklin
Project Engineer
