RE: Confidential Treatment Justification

To Whom It May Concern:

In accordance with section 0.459 of CFR 47, **CommScope, Inc. (Listed in FCC database as Andrew Wireless Systems)** requests Confidentiality of following sections of this application:

### **EHD (Experimentation Description)**

This document contains detailed system and equipment descriptions and related information about the product, which **CommScope, Inc.** considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **CommScope, Inc.** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Bryan Colley
