DISMISSED-WITHOUT PREJUDICE

Dear Nathaniel Edwards,

This refers to application, File No. 0052-EX-ST-2021, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The test device interrupts the radio operation of the target drone. The FCC is not authorized to approve testing

and operation of this type of system that will disrupt the control channel of a UAV. These systems can only be authorized by NTIA for military or federal agency users.
