

Table 1

| Frequency | Power |     |      | Emission | Modulating Signal | Necessary Bandwidth |
|-----------|-------|-----|------|----------|-------------------|---------------------|
| (MHz)     | (mw)  |     | (D)  |          |                   |                     |
| (A)       | (B)   | (C) |      | (E)      | (F)               | (G)                 |
| 40.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 50.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 58.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 76.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 77.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 78.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 79.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 80.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 82.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 83.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 84.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 85.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 86.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 87.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 88.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 89.1      | 65    | 10  | Mean | N        | F3                | 150                 |
| 89.8      | 65    | 10  | Mean | N        | F3                | 150                 |
| 91.6      | 65    | 10  | Mean | N        | F3                | 150                 |
| 92.3      | 65    | 10  | Mean | N        | F3                | 150                 |
| 93.2      | 65    | 10  | Mean | N        | F3                | 150                 |
| 94.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 95.4      | 65    | 10  | Mean | N        | F3                | 150                 |
| 96.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 97.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 98.0      | 65    | 10  | Mean | N        | F3                | 150                 |
| 99.4      | 65    | 10  | Mean | N        | F3                | 150                 |
| 100.2     | 65    | 10  | Mean | N        | F3                | 150                 |
| 101.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 102.3     | 65    | 10  | Mean | N        | F3                | 150                 |
| 103.1     | 65    | 10  | Mean | N        | F3                | 150                 |
| 104.5     | 65    | 10  | Mean | N        | F3                | 150                 |
| 105.2     | 65    | 10  | Mean | N        | F3                | 150                 |
| 106.1     | 65    | 10  | Mean | N        | F3                | 150                 |
| 107.3     | 65    | 10  | Mean | N        | F3                | 150                 |
| 108.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 175.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 180.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 185.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 190.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 200.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 205.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 210.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 215.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 220.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 225.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 230.0     | 65    | 10  | Mean | N        | F3                | 150                 |
| 237.0     | 65    | 10  | Mean | N        | F3                | 150                 |
